12th December 2017

Dear Parents/Carers,

This half term in History we have been studying 'World War One'.

As an end point to our study the children in Year 5 will be putting on a small performance to parents, carers, siblings and relatives at 3.30pm in the School Hall on Tuesday 19th December. As the performance is outside of usual school hours please complete the permission slip below and return by Friday 15th December for your child to take part. Children will remain in class with staff at the end of the day ready for the performance to start. During the performance refreshments that have been made by the year 5 children will be available.

We look forward to seeing you at our performance and thank you for your continued support.

Yours sincerely

Mr N Pidgeon and Miss L Boobyer

Year 5 'World War One' Performance -

I give my permission for my child (Name)
in class to attend the above performance.

- My child will be collected after the performance
 My child walk home unaccompanied
