3rd November 2017

Dear Parents and Carers,

The Foundation team have been sending out information weekly via the Eylog message system. This includes details of homework challenges and forthcoming events. In addition to this, Eylog also lets you receive observations including photos and videos of your child's learning in school.

However, we are aware that some parents have not been able to activate their child's Eylog accounts or contribute their child's home learning and challenges via the Eylog app. This is a vital part of our curriculum and assessment, alongside you as co-educators.

We will be holding an Eylog workshop on Wednesday 8th November at 3.15pm. This will be a brief workshop of approximately 15 minutes to demonstrate the app and website to you and hopefully rectify any log-in issues.

Many thanks and we look forward to seeing you next week.
