Dear Parents and Carers,

Parents Evening Survey – Autumn term 2017

Thank you for taking the time out of your busy schedules to come to our latest parents evening this week. If you were unable to see your child's teacher and would like to speak to them, please make an appointment with the class teacher at the end of the school day.

At the end of the parents evening, those that attended, were asked to complete a quick confidential questionnaire about us as a school based on the Ofsted Parents view survey. The results were extremely positive and we wanted to share these with you. If you made a comment (either positive or an area in which you would like us to improve) we have taken these on board and if appropriate will act upon them. If you have given us your name we will address these directly with you.

If you would like to report your opinions to Ofsted then please remember that 'Parent View is a tool in which Ofsted canvasses parent's opinions about all aspects of the education that a school provides. If you would like to participate in this survey please visit [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk).
