

**Year 1 Foundation Subjects
Remote Learning Pack**

Manor Court Community Primary School

Science

Go on an adventure into your garden or in your local park! Can you spot different types of plants and trees? What do they look like? What do they need to grow? Write down some notes!

Then you can label different parts of a plant and look at what seeds need to grow.

You can also have a go at planting your own seed! You will need soil, seeds and water!

[What do plants need to grow? - KS1 Science - BBC Bitesize](#)

Geography

Make a map of your house! Walk around your house and take pictures of things to put into your map. Can you label your map?

Google a map of the UK and label the different countries. Do you have an atlas or a globe at home you can look at? What features do you notice?

PE

Go on a space mission!

1. Step carefully into your spaceship. Have you got everything ready?
2. 3...2...1...Blast off!
3. Which planet have you landed on? Can you skip, run or sidestep around the planet?
4. Which planet are you going to next?

Have a go at some of these videos!

PSHE

Write a letter to someone that you are grateful for and is special in your life!

Catch it, bin it, kill it! – how can we keep germs from spreading? Make a poster!

There are also mindfulness colouring pages.

Computing

Make a poster about who you can talk to about being safe on the internet.

You can also watch some videos here: [KS1 Computing - England - BBC Bitesize](#)

MC48

Bug hunt! Go into the garden and see how many creepy crawlies you can spot! Can you name any?

DT

Can you make a bug house? Look around your house for things you could use!

You can use this video to help you: [Easy Bug Hotel - YouTube](#)
