## Whole school careers day: break that stereotype

Dear parents and carers,

Manor Court is taking part in the 'Start Small; Dream Big' project'. This is a free career-related learning programme for primary schools delivered by The Careers & Enterprise Company and backed by the Department for Education (DfE).

To launch the project, we will be holding a careers day with a focus on breaking gender stereotypes on **Friday 23<sup>rd</sup> February**. There will be lots of activities for the children to take part in throughout the day.

Children will also have the option to dress up if they wish. Ideas include what they want to be when they are older, a job their parents do or something that breaks a gender stereotype (such as a female builder or a male hairdresser). If your child does not wish to dress up, they must come in school uniform.

If you yourself have a job that breaks a stereotype, and you would like to come in to speak to the children about this on the day, please get in touch via the school office.

If you have any questions about this event or any other aspect of your child's learning, please do get in touch.

Year 4 Teacher and Phase Lead
