

Primary Sports Premium Funding 2023 – 2024

At Manor Court Primary School we pride ourselves on promoting healthy lifestyles through the taught curriculum, extra-curricular activities and participation in sports festivals and inter and intra school competitions.

Our school vision is to create a physical education curriculum that motivates, inspires and develops every child's enthusiasm to become a lifelong learner and participator in sport and knowing how to keep fit and healthy. We aim to give opportunities for all pupils to develop their physical, leadership and coaching skills. As a school we want to create a thrill around physical activities where every child feels confident and ready to participate.

Primary Sports Premium: This financial year the school will receive £19,050 to support and develop the delivery of high quality PE in school. We have a school development plan that demonstrates how we intend to achieve this. Please see 2023 - 2024 Sports Grant Additional Funding Final Spreadsheet in this document.

How we will use the money effectively: A large proportion of our funding has been spent on staffing costs where adults are used to teach during curriculum and extra curriculum time in order to inspire and challenge our children in their P.E and sporting endeavours. We aspire to encourage effective CPD where staff learn alongside established sports coaches as they teach our children. We also book staff onto external courses to upskill them in areas where audits have identified need. Additionally we use money to enable our children to compete in inter school competition as part of our School Games involvement.

Sustainability: We have ensured that we now have systems in place which will ensure that staff are continually well trained, competition is an integral part of what we do, a rich variety of after school clubs and curricular P.E. opportunities are available and are at the core of what we provide. Our sport and P.E. provision are embedded in the fabric of our school life.

PE & Sport Premium Spending – Manor Court Primary School – Financial Year 2023-2024

PE & Sports Funding allocation = £19,050

Area of Spend	Total budgeted cost	Contribution from additional Sports funding	Description of provision	Intended outcomes	How impact will be measured	Impact of provision at the end of the 2023-2024 school year.
Curriculum resources	£5550	£5550	Curriculum resources	Good quality resources for all PE lessons	Through observation of children's skills knowledge and physical ability.	Increased number of resources enable children to participate in sports with the equipment that they need to enhance their skills.
PE Planning subscription	£269	£269	Planning resources	Good quality planning and sequenced skills based on every individual lesson and progression throughout all lessons and year groups.	Through observation of children's skills, knowledge and love of PE lessons.	Improved planning ideas and complete curriculum enabled teachers to meet all areas of the KS1 & KS2 PE curriculum.
Encourage active lunch and break times	£1500	£1500	Purchase outside playground equipment for children	Appropriate age related equipment purchased for KS1 and KS2 children to use during break times. Intended to be used to help promote a healthy lunchtime for all children.	New equipment will promote continued participation by children due to them not getting bored.	Equipment was purchased and was a great success, and very popular with the children. More active lunchtimes, with the support of our PE coach, MDSA's and Child Play leader ensured skills were being improved. Due to a number of children using the equipment each day some equipment will need to be replaced.

<p>Establish and when necessary extend attendance for after school sports activities</p>	<p>£2100</p>	<p>£420 £180 carried over from previous. £1500</p>	<p>Fund multi-skills afterschool club for actively less engaged children. Fund four actively less engaged children to attend local multi- sport holiday club</p>	<p>To engage children in a more comfortable and flexible format open for all physical activity. From experiences gained from the club, aim is to then lay the foundation for continued engagement in physical activity.</p>	<p>Club developed and upskill a member of staff to deliver it afterschool. Activities used within the club can be used to help engage the less engaged children in PE lessons across the school.</p>	<p>A number of children (30% of PP children) who would not have been able to because of financial constraints accessed PE after school clubs led by our Sports Coach.</p>
--	--------------	---	---	---	--	---

				Out of school physical activity club which is based at the school. The intent to provide a further opportunity in a different environment for children to engage in physical activity.	Providing activities in sports which are delivered in school to increase participation in the chosen sports when at school.	
Provide opportunities for children to lead	£780	£840	Provide playground leader training	Play leader programme: Cost of additional hours for a member of staff to deliver a play leader programme, followed by regular weekly interventions for additional play leaders.	Children from Years 5/6 selected so will ensure sports leaders will continue within school (after Covid-19 restrictions eased) school for at least two years after their training. The leaders can be used to upskill new sports leaders on an annual basis when in Year 6.	Sports leaders promoted and trained to work with children of all ages. This has enabled a more cohesive lunchtime and enabled peer to peer coaching.
Embed physical activity by promoting active travel, lessons and break times	£1170	£180 £240 carried over from last year. £200 £100 carried over from last year. £450	Ensure Bikeability course can be run within school for children in Yr 5/6 Active travel week SASP Healthy futures programme	Provide a safe experience for children to then travel on a bicycle safely outside of school. This will ensure children use cycling as a form of travelling not only to and from school but outside of school. Promote an active travel arrangement to school, as opposed to travel via car to school. School to provide prizes for phases to reward effort in change	Children will opt to use their bicycle for travel and continue to cycle regularly into adult life. By creating an incentive for active travel children more likely to engage in physical activity after the designated week. This will create a willingness to opt to active travel in future circumstances. Children are able to apply the knowledge	An increased number (exact number unknown) of children ride their bikes and scooters to school. Bikeability offered to each Year 5 child (bicycle's were borrowed for those who did not have one) and thirty-five of the fifty-four children participated in the course. Bikeability has been organised for the Summer Term 2025 and the new Year 5 cohort.

						SASP healthy futures came to school to work with the Y2 and Y4 cohort of children.

				<p>towards active travel to school.</p> <p>Provide children in Y2 and Y5 with a background of the importance of healthy living and physical activity. This should result in children taking more care in their diet, hygiene and prioritising physical activity.</p>	<p>they have on being healthy and active in their life choices. By having the programme in Year 5 children can look in more depth of the factors that lead to healthy and active living.</p>	
Provide professional development of staff	£550	<p>Somerset PE conference.</p> <p>Somerset CCC affiliation</p>	<p>PE lead attends Somerset PE conference in person or virtually to bring ideas back to the school in order to support PE provision. A high quality six week programme delivered to three year groups. Teachers to work alongside coach as a tool for improvement and viewing best practice in delivering high quality PE. Free resources for teaching available online and complimentary tickets to a live SCCC match for a whole year group.</p>	<p>PE in a better position to help mentor and support the staff team in delivering PE lessons. Teachers have access to an online portal of resources to help assist in planning high quality PE. The teachers can also experience and see techniques used to deliver High quality PE sessions. Children attend a live sporting event to enthuse children's interest and participation in the game.</p>	Provide professional development of staff	<p>PE lead and Sports Coach both attended the Somerset PE conference at the Canal Centre in Bridgwater.</p> <p>Somerset County Cricket affiliation continued. Cricket coach worked with KS2. Year 6 children attended a live match at Somerset County Ground.</p>
Allow an opportunity for children in Y2- Y6	£3500	£2500 £1000 carried over from last year	Subsidise the cost of buses to the local swimming pool (8	Local pool in the town has shut down and is to be rebuilt and many of	The experience of swimming is to broaden the sporting	A pool has now been built in Chard so the coach subsidy is no longer needed. We are using the

						allocated money to reduce the cost of swimming for each child.
--	--	--	--	--	--	--

to take part in swimming lessons.			miles away) for all children.	our pupils' parents unable to travel to nearby swimming pool in the local area. Intended to provide an additional opportunity for children to experience and engage in a love of swimming.	opportunities for children, in an attempt to engage children in physical activity through the use of swimming and potential water sports.	
Attend a network of fixtures through the Holyrood cluster competitions	£1800	£1800	Attend as many competitions as possible within the academic year.	As a cluster group, the tournaments and referees are all arranged and supplied for as part of the price along with the facilities where we compete.	By doing this we aim to have 50% of our KS2 children to participate in active physical competition.	60% of Manor Court pupils attended and competed in a competitive fixture at the Holyrood cluster. Most children participated in the cross country and are looking forward to attending this again during this academic year.
Attend further competition outside of the school cluster	£3600	£2000 £1800 carried over from previous	Attend as and when appropriate and ensure members of staff are available to attend along with the required transport	To cover costs of staff attending the event with the children along with any additional transport costs that may be required.	To ensure a high level of competition for as many children as possible. Enables more children to attend enrichment days with YTFC and other organisations, allowing more children to compete in more activity.	Children have attended five competitive fixtures within our MAT – PPAT. Year 5 children attended sessions promoted by Yeovil Town Football Club, Year 4 children attended sessions promoted and run by Exeter Chief Rugby club.

<p>Intra school sports/club</p>	<p>£1990</p>	<p>£1910 £1080 carried over from previous year</p>	<p>PE lead to be working in school devising and delivering intra school sports events and clubs channelling children towards intra school competition. Cups and awards purchased to recognise pupil achievement.</p>	<p>Better intra school sporting and club provision.</p>	<p>Pupil enjoyment and take up. Cups awarded. Amount and quality of intra school events. Variety of sports clubs offered broadened.</p>	<p>Cups purchased for Intra School/House Sport clubs. All children participated in these competitions ensuring that each child has competed in competitive sports throughout the year.</p>
---------------------------------	--------------	---	--	---	---	---

Sports cups, medals and certificates	£380	£280 £100 carried over from previous year	Awards for intra school sports to participants and medallists.	Incentive to participate and thrill of achievement	Uptake of a range of sporting activities.
