

Primary Sports Premium Funding 2022-2023

At Manor Court Primary School we pride ourselves on promoting healthy lifestyles through the taught curriculum, extra-curricular activities and participation in sports festivals and inter and intra school competitions.

Our school vision is to create a physical education curriculum that motivates, inspires and develops every child's enthusiasm to become a lifelong learner and participator in sport and knowing how to keep fit and healthy. We aim to give opportunities for all pupils to develop their physical, leadership and coaching skills. As a school we want to create a thrill around physical activities where every child feels confident and ready to participate.

Primary Sports Premium: This financial year the school will receive £19,080 to support and develop the delivery of high quality PE in school. We have a school development plan that demonstrates how we intend to achieve this. Please see 2022-23 Sports Grant Additional Funding Final Spreadsheet in this document.

How we will use the money effectively: A large proportion of our funding has been spent on staffing costs where adults are used to teach during curriculum and extra curriculum time in order to inspire and challenge our children in their P.E and sporting endeavours. We aspire to encourage effective CPD where staff learn alongside established sports coaches as they teach our children. We also book staff onto external courses to upskill them in areas where audits have identified need. Additionally we use money to enable our children to compete in inter school competition as part of our School Games involvement.

Sustainability: We have ensured that we now have systems in place which will ensure that staff are continually well trained, competition is an integral part of what we do, a rich variety of after school clubs and curricular P.E. opportunities are available and are at the core of what we provide. Our sport and P.E. provision are embedded in the fabric of our school life.

PE & Sport Premium Spending – Manor Court Primary School – Financial Year 2022-2023

PE & Sports Funding allocation = £19,080

Area of Spend	Total budgeted cost	Contribution from additional Sports funding	Description of provision	Intended outcomes	How impact will be measured	Impact of provision
Curriculum resources	£5550	£5550	Curriculum resources	Good quality resources for all PE lessons allowing children to access a varied range of sports.	Through observation of children's skills knowledge and physical ability.	All national curriculum sports and skills have been taught to each group as well as additional sports that the children have thoroughly enjoyed and enabled them to learn new skills. Equipment will need to be continually refreshed each academic year.
Encourage active lunch and break times	£1500	£1500	Purchase outside playground equipment for children	Appropriate age related equipment purchased for KS1 and KS2 children to use during break times. Intended to be used to help promote a healthy lunchtime for all children.	Observing the children on the playground will show if the children are engaged in a physical activity or are sedentary.	Children have been more active and sociable on the playground during all free time. A greater variety of equipment has kept the children interested.

<p>Establish and when necessary extend attendance for after school sports activities</p>	<p>£1920</p>	<p>£420</p> <p>£1500</p>	<p>Fund multi-skills afterschool club for actively less engaged children.</p> <p>Fund four actively lessengaged children to attend local multi-sport holiday club</p>	<p>To engage children in a more comfortable and flexible format open for all physical activity. From experiences gained from the club, aim is to then lay the foundation for continued engagement in physical activity. Out of school physical activity club which is based at the school. The intent to provide a further opportunity in a different environment for children to engage</p>	<p>Club developed and upskill a member of staff to deliver it afterschool. Activities used within the club can be used to help engage the less engaged children in PE lessons across the school. Attendance at the holiday club should relate to the children's participation of sports in other areas of the school as well as</p>	<p>After school enrichment sport clubs have been very popular again this year. These clubs have provided the opportunity for all to be more sociable and physically active.</p>

				in physical activity.	providing the opportunity to take part in activities during the holidays.	
Provide opportunities for children to lead	£840	£840	Provide playground leader training	Play leader programme: Cost of additional hours for a member of staff to deliver a play leader programme, followed by regular weekly interventions for additional play leaders.	A larger amount of children could be observed taking part in a number of organised games on the playground. Children from Years 5/6 selected so the leaders can be used to upskill new sports leaders on an annual basis when in Year 6.	Play leaders have busily interacted with their peers during break times. The younger children have enjoyed having a role model. More inclusivity in games and activities is evident.
Embed physical activity by promoting active travel, lessons and break times	£630	£180 £450	Ensure Bikeability course can be run within school for children in Yr 5/6 SASP Healthy futures programme	Provide a safe experience for children to then travel on a bicycle safely outside of school. This will ensure children use cycling as a form of travelling not only to and from school but outside of school. Provide children in Y2 and Y5 with a background of the importance of healthy living and physical activity. This should result in children taking more care in their diet, hygiene and prioritising physical activity.	Children will opt to use their bicycle for travel and continue to cycle regularly into adult life. Children are able to apply the knowledge they have on being healthy and active in their own life choices.	A large number of children in Year 5 participated and took part in the Bikeability courses.
Provide professional development of staff	£550	Somerset PE conference.	PE lead attends Somerset PE conference in person	PE lead in a better position to help mentor and support the staff	Teachers will deliver high quality PE lessons that engage and	PE lead attended the Somerset PE conference and fed back all relevant updates to the staff

						team.
--	--	--	--	--	--	-------

		Somerset CCC affiliation	or virtually to bring ideas back to the school in order to support PE provision. A high quality six week programme delivered to three year groups. Teachers to work alongside coach as a tool for improvement and viewing best practice in delivering high quality PE. Free resources for teaching available online and complimentary tickets to a live SCCC match for a whole year group.	team in delivering PE lessons. Teachers have access to an online portal of resources to help assist in planning high quality PE. The teachers can also experience and see techniques used to deliver High quality PE sessions. Children attend a live sporting event to enthuse children's interest and participation in the game.	inspire children. Children will be more motivated and interested in sports which will lead to higher attendance of sports clubs and generally higher levels of physical activity.	The continuation of the Somerset Cricket Club affiliation has ensured that each child in KS2 has benefitted from the enhanced coaching and this has led to the upskilling of a number of staff in cricket skills.
Allow an opportunity for children in Y2- Y6 to take part in swimming lessons.	£2500	£2500	Instructor led swimming sessions at local pool. Additional adults required for session.	Intended to provide an additional opportunity for children to experience and engage in a love of swimming. This also is essential for the children to be able to reach National Curriculum swimming objectives.	The experience of swimming is intended to broaden the sporting opportunities for children. All children will meet NC swimming objective by the end of year 6.	Each child continued to enjoy subsidised swimming sessions throughout the school year. Our approach to swimming has ensured that children have enjoyed their national curriculum goals required. The number/percentage of children achieving the end of Year 6 expectations has increased again this school year.

Attend a network of fixtures through the Holyrood cluster competitions	£1800	£1800	Attend as many competitions as possible within the academic year.	As a cluster group, the tournaments and referees are all arranged and supplied for as part of the price along with the facilities where we compete.	Large percentage of children from upper KS1 and KS2 will have attended at least one sporting event during the year.	A larger proportion of the school have attended Holyrood cluster events and experienced a fun and competitive, well organised sporting events outside of school.
Attend further	£2000	£2000	Attend as and when	To cover costs of staff	To ensure a high level	Children in many year groups had the experience of attending a number of days at YTFC, Chard Cricket club, Chard Rugby Club and Somerset County Cricket club. This allowed a higher number of children to represent the school in external sporting events.

competition outside of the school cluster			appropriate and ensure members of staff are available to attend along with the required transport	attending the event with the children along with any additional transport costs that may be required.	of competition for as many children as possible. Enables more children to attend enrichment days with YTFC, inclusion days and other organisations, allowing more children to compete in more activity.	
Intra school sports/club	£1500	£1500	PE lead to be working in school devising and delivering intra school sports events and clubs channelling children towards intra school competition. Cups and awards purchased to recognise pupil achievement.	Better intra school sporting and club provision. Wider range of activities available.	Pupil enjoyment and take up. Cups awarded. Amount and quality of intra school events. Variety of sports clubs offered broadened.	Children again this year enjoyed the range of sporting after school enrichment clubs offered. This included a Tag Rugby club led by a RFU affiliated coach and a cricket after school club coached by a SCCC affiliated coach. These proved extremely popular and were over subscribed.
Sports cups, medals and certificates	£290	£290	Awards for intra school sports to participants and medallists.	Incentive to participate and thrill of achievement	Uptake of a wide range of sporting activities.	Cups, badges and certificates were provided for all sporting events. These were awarded during celebration assemblies which encouraged pride and recognition of the children's sporting achievements.
