

Dear Parent/Guardian,

We hope this letter finds you well. We're reaching out with an exciting opportunity for our pupils, our school, and our broader community.

**On Saturday, 28th October**, Yeovil Town will be playing against Braintree Town in a special charity football match aimed at raising awareness for breast cancer. Our school has the unique opportunity to not only participate but also to gain from this community-centric event.

How You Can Help:

For every ticket purchased using our school's unique code, **MANOR10**, our school earns a tally point. These points play a pivotal role, as the school with the most points will win fantastic rewards and experiences for the children.

What's in it for the Students?

- Selected children will get a chance at half-time to step onto the pitch for a memorable penalty shootout experience and partake in other exciting activities.
- If our school tops the tally, a class will be nominated for a complimentary stadium tour. Additionally, the school may be given the opportunity of a multi-sports session held at the stadium - a fantastic experience for our young sports enthusiasts!

The core aim of this match is to raise awareness about breast cancer. By participating, we're not just offering our children a fun experience but also teaching them the importance of community involvement and the significance of supporting meaningful causes.

We kindly request you to consider purchasing tickets for this match. By doing so, you're not only supporting a noble cause but also boosting our school's chances of winning these delightful experiences for our students. Remember to use our code **MANOR10** when buying your **discounted tickets!**

Let's come together as a community, enjoy a fantastic game of football whilst making a difference. There will be activities such as face painting & bouncy castles around the stadium. We thank you for your continuous support and hope to see as many of our school community as possible at the match.

Kind Regards

**Yeovil Town Community Sports Trust**
