Dear Parents and Carers,

MC Olympics!

To celebrate the Paris Olympic and Paralympic Games in 2024, we are inviting you to get active and embark on a virtual journey with Path to Paris, Team GB, and Paralympics GB's. Each class has been allocated a different country to compete at our very own MC Olympics. To get the children started with the 'buzz' they have got the 'Path to Paris' to complete. Your child has been given a booklet with their name and unique pin, this allows them access to embark on their journey and add their physical activity to their tracker. There is also a QR code that if you scan on a digital device, it will take you straight through to the page. All teams will travel around the world. There are some amazing prizes, along with being entered into the national race for an Olympian to meet with them. Below outlines the MC Olympics schedule with dates included for sports days too. There is also a table with your child's class and country. Please read the information carefully.
