

SOMERSET MUSIC ACADEMY

Private Music Tuition

Dear Parents,

Within the school this year, we introduced a local company that has worked with a number of schools in the area providing private instrumental lessons for our students. They offer engaging teaching, grades for those that wish to sit them and reasonable charges.

The company is Somerset Music Academy. The teachers tutor Bass Guitar, Piano, Singing (Vocal) and Ukulele. Dan and the team have been teaching for several years and the company ethos is based around making lessons engaging, practical and cost effective.

Lessons take place during the school day at the same time each week. Studies have shown that private instrumental lessons increase concentration and lead to increased testing results for pupils, getting them used to exams, performing and practical usage of English and Maths.

Lesson Prices

Instrumental lessons are – 20 minutes £65 per half term, 30 minutes £97.50 per half term.

If you are interested in requesting lessons or finding out more please contact Claire at Somerset Music Academy directly on Info@somersetmusicacademy.co.uk
