Dear parents and carers,

re: Transition with secondary schools

As it is nearing the final term of primary school for our year 6 children, we are beginning the transition process with Holyrood for those who will be starting there in September.

Last half term, the Holyrood transition coordinator, Sarah Rose, visited every Monday. She was able to answer lots of the children's questions and will be a friendly face when they start in September. She will visit later on in the year, and we can get in touch with her at any time should we need to.

In the coming weeks, we will be sharing information with Holyrood including information about the children's relationships with their peers, their academic progress, and the support that we give them here. The aim is to make their transition to secondary school as smooth as possible so Holyrood can offer them everything that they will need.

In July, there will be transition days for the children to attend Holyrood, so they get a feel for the school before they start. Details of these days will be sent out by Holyrood nearer the time.

If your child is going to attend another secondary school, we will also share relevant information with them to help with the transition when they request it.

If you have any questions about this or any other aspect of your child's learning, please do not hesitate to speak to one of us.

Thank you for your continued support.

Yours sincerely

Mrs Jones
