Friday 15th March 2024.

Dear Parents and Carers.

Reference: Pupil Voice Survey

We have recently completed our Spring Term (mid-year) pupil voice survey of the children who attend Manor Court Community Primary School. In our school we highly value the children's opinions and provide for them several outlets for them to share their opinions, including a number of council's where the children can help their friends and make a difference to their school.

We asked the same questions to each child in the school (not including the Foundation Stage children as we believed that they were too young) and received 369 responses in total. The percentages reported are out of 369 responses.

We are delighted by the outcome of this survey, and wanted to share them with you, so please find them below. We believe that it is truly representative of the excellent education that we provide to your children!

Thank you for your ongoing support.

Mrs Geri Terry
Assistant Headteacher
