Attendance

During the week of the tests, it is especially important that we have 100% attendance in Year 6. Please ensure no appointments are made during this week and that your child arrives at school every day in plenty of time.

If your child is feeling ill on the morning, please contact the school office as soon as possible. It may be that we can make special arrangements for your child to sit the tests in a separate room.

It would also help enormously if they had early nights during this week and not have too much happening out of school hours. This will enable them to perform to the best of their ability.

Free Breakfast Club

It is proven that children do better in tests when they have eaten a hearty breakfast. On the morning of the assessments, we will be offering each child in Year 6 **a free breakfast**. This will be served in Herons' classroom. The children must arrive no earlier than 8:10am as there will be no one to supervise them prior to this; they will need to go straight to Herons.

We would be grateful if you could work with us and provide your child with as much support as possible leading up to these tests so they can reach their true potential. **Children are encouraged to complete the revision pack that we will be sending home this week, as this will focus on the key skills that we have been revising at school.**

Please indicate via Parentpay whether your child can attend SATs breakfast club.

If you require any more information, please do not hesitate to contact us.

Thank you for your support.
