Ofsted Parent View Survey

Dear parents and carers,

It will be wonderful for us to share your children's excellent progress, since September, with you during parents evening next week.

In December it will be five years since our last full inspection by Ofsted and our next Ofsted validation is overdue by a year. We constantly have external validation by education consultants and are delighted with the position that our school is currently in. We know that most parents are extremely pleased with the education that we provide for the children.

An important part of the overall judgment of the school is parental voice and Ofsted collate their initial understanding of the school through an anonymous survey called Parent View and by assessing a range of published data (including attendance and the academic achievement and progress of the children throughout the school).

We would appreciate if you would take the five minutes to create an Ofsted account to enter the portal that will enable you to complete the Ofsted Parent View survey. If you have completed this survey in the past, it can be repeated for each academic year in which your child is educated at Manor Court Community Primary School.

Please follow the link below to complete this survey for your child.

Thank you for your ongoing support and with kind regards,

Mr L Talmage
Headteacher
