**Year 4 Rockstar Day**

Children in Year 4 enjoyed an exciting Rockstar Day last Friday. The intention of this day is to make learning multiplications fun and engaging ready for their national Multiplication Checks which the Y4 children have completed this week. The classrooms buzzed with energy as pupils and staff arrived dressed as rockstars, involving leather jackets, colourful wigs and many inflatable guitars. Children showcased their outfits to the school during celebration assembly followed by a variety of carousel activities, interactive games, table races and even concluded with times table fitness. The children have worked extremely hard on their times tables and the Year 4 team are extremely thankful for the continued support by their parents and carers.

Uniform expectation – A message from Mr Talmage

It is our expectation that each child wears the correct school uniform during the school day. Please remember that uniform, with a logo, is now purchased from the Southwest School wear uniform shop in Taunton and all other uniform can be purchased from the provider that you believe provides the best value for money.

Year 2 trip to Noah Ark Zoo

On Wednesday, the children in Year 2 enjoyed a wonderful trip to Noah's Ark Zoo Farm, where they met a variety of different animals and discovered what their natural habitats are like. During the day, the children particularly enjoyed the 'Wings of Wonder' exhibit, seeing the mighty elephants and even getting a chance to get up-close and personal by feeding some of the animals there! What a brilliant sunny day!

**Foundation Stage Father's Day Breakfast**

This morning, Foundation Stage hosted a heartwarming Father's Day breakfast to celebrate the special male figures in their lives. The children served bacon rolls and drinks, creating a lovely morning full of smiles and appreciation. It was a lovely opportunity for the children to share the gifts and writing that they had prepared for their dad and to say thank you for all the help and support that they give to them.

Enrichment clubs next week

Please remember that due to the Summer Shows next week we are not holding any after school enrichment clubs. Please collect your child at the end of the school day promptly to enable the staff members to support the children at Holyrood Academy. Our wrap-around care provision is running every evening until 18:00 and can be booked through the school office, no later than 14:00 the day before.

Somerset Careers Award 2025 Finalist! – A message from Miss Bagnall

We are incredibly proud and excited to announce that Manor Court Community Primary School has been selected as a finalist in the Best Careers Focussed Primary School category in the Somerset Careers Award 2025!

This recognition celebrates the hard work of our staff, pupils, parents and wider school community in helping to raise aspirations and broaden children's understanding of the world of work from an early age. Whether it's through inspiring visitors (and we have had many - including some of you!), themed career days and weeks, or meaningful learning experiences linked to real-world skills, we are committed to preparing our children for bright futures.

The special awards ceremony will take place in July, and I will be sure to keep you updated. Whatever the outcome, being recognised as a finalist is a fantastic achievement that reflects the enthusiasm and ambition of our whole school community. Thank you so much for your continued support in helping our children to dream big!

Sun Safety

We have enjoyed some warm and sunny weather recently and we are all hopeful that it may continue. Can you please help us to keep your children safe in the sunshine and hot weather by applying sun cream before school, sending them into school with a sun hat and plenty of water-based drinks to last throughout the day.

Items from home – A message from Mr Talmage

Can I please clarify our approach to inclusive aids, such as noise reducing headphones, toys and pencil cases/crayons and pens from home etc.

Unless Mr Clode, or I, have given consent children are not to use, or bring from home: noise reducing headphones, fiddle toys, pencil grips or any other educational aid as we have the correct items to give to children in accordance with their need. Please do speak to Mr Clode, or I if you need clarification about this.

Children are not to bring toys, or personal writing or drawing equipment from home and if they do, I have asked the staff to confiscate it until the end of the school day as this will prevent items from 'going missing'.

Do you think your child needs a Health Care Plan? A message from Mrs Terry

Parents of children with medical conditions are often concerned that their child's health will deteriorate when they attend school. This is because pupils with long-term and complex medical conditions may require ongoing support, medicines or care while at school to help them manage their condition and keep them well. Others may require monitoring and interventions in emergency circumstances. At Manor Court Community Primary, we want our parents to feel confident that we will provide effective support for their child's medical condition and that our pupils feel safe. In making decisions about the support, we provide; we may need to have a meeting with you to discuss your child's needs. I have the responsibility of meeting with parents to ensure that Medical Health Care Plans are in place for those children who

need one, but if you are unsure or if your child has a health condition that you don't feel the school is fully aware of, please speak to your child's class teacher or make an appointment through the Office to speak to me.

After school enrichment clubs – A message from Mr Clode

Please can I politely remind all parents that our afterschool enrichment clubs finish at 16:15 and ask you to arrive promptly to collect your children.

Attendance our school expectations – A message from Miss Gregory

Pupil attendance and punctuality is a key focus and priority within our school. Individual attendance is monitored and reviewed on a bi-weekly basis. We would like to kindly remind parents that the school's expectations on individual pupil attendance is 95% and above, with the aim of having 100% pupil attendance. Should your child fall behind the school's expectations a monitoring process is triggered, and we may ask you to come into school to

discuss your child's attendance with us. Should you have any questions or concerns relating to your child's attendance please do not hesitate to contact me within the school.

'Shuffle up afternoon'

The children will be spending the afternoon in their new classroom and with their new teacher and Learning Support Assistants on Monday 7th July. Please collect your child from their current classroom at the end of the day as usual where they will be dismissed into your care.

Healthy snacks at Play Times – A message from Mrs Terry

We encourage each pupil at Manor Court to lead a healthy lifestyle. At play times, we provide all our Foundation Stage, Year 1 and Year 2 pupils with fruit or vegetables and all pupils have the option of eating a bagel as part of our 'Magic Breakfast' scheme.

If you provide your child with snacks that do not fall into the fruit or vegetable category, these will be kept in their bags or lunch boxes to be eaten at lunch times. Wrapper-type snacks at break times also lead to unwanted litter if not placed into the bins provided. Please speak to your child's class teacher if you have any concerns regarding our healthy option break times. Further information can also be found at <https://www.nhs.uk/healthier-families/food-facts/healthier-snacks>

Staff car park – A message from Mr Talmage

Can we please remind all parents that the staff car park at the rear of the school is not to be used by parents at any point as a place to park during drop off or collection times. Please remember that the school provides free parking permits for parents to park in Sainsbury's carpark at the start and end of the day.

The Community Fridge – A message from Miss Gregory (Early Intervention Officer)

The Community Fridge is for everyone in Chard and the local area to use without referral. It is open, when there is food available, at set times and is staffed by a team of volunteers. The fridge is based in the front room, of Chard's Community Hub (in the old library in Boden Street) and there are also shelves of food in the food room which is at the back of the premises. Items here include dried food, tins, toiletries, pet food, and some baby food. We also have freezers which can have donations from stores and local shops for people to help themselves to. Please see the poster at the end of this newsletter that explains the times that the Hub and Fridge are open.

Hot meals parental feedback – A message from Mrs Hunt

Our onsite kitchen is now providing a hot meal for average over 200 children each weekday and it appears to us that the children within the school are enjoying the meal that is being offered to them and parents have selected for them through ParentPay.

We would like to ask parents to provide feedback, positive or negative, as to the food that we are providing to your child. If you would like to share this feedback with us, please do email the school office.

SEN Support and Parent Carer Forum – A message from Mr Clode

We have been made aware that there are groups in the community that are supporting parents of children with SEND and additional needs. Whilst we would hope the majority are there to help and support, we have been told that some are giving misleading advice and we have even been informed of some parents being asked for money for advice on a case-by-case basis.

If you have any questions around, SEND or additional needs, or need any advice or signposting, please do not hesitate to speak to me at school or contact the Somerset Parent Carer Forum for professional independent advice.

Please do note that we also host regular well-attended Parent Carer Forums with a welcoming and supportive group of parents and led by independent professionals.

The website can be found at www.parentview.ofsted.gov.uk

The FMCA needs you!

The FMCA is a group of parent volunteers who spend time raising money (whilst having fun) for activities or equipment to be used for the children in the school. The work that they do is vital, and the committee needs more volunteers to help them achieve more for the children.

If you would like to find out more about their work and how you can get involved, please do email them on contactfmca@gmail.com or contact them through their Facebook page.

We take child protection extremely seriously at our school. Reading expectations – A message from Mrs Terry

At Manor Court Community Primary School, we seek to ensure that children are supported to be confident, lifelong learners with a love of reading. Reading plays an especially vital role in developing children culturally, emotionally, and socially and we believe literature plays a key role in such development. Reading enables pupils both to acquire knowledge and build on what they already know.

In school children in KS2 are heard reading on a 1:1 basis at least once a week by their class teacher and Learning Support staff and this is much more frequently in Foundation Stage and KS1. Those pupils not at an expected reading level are heard daily. The EYFS and Key Stage 1 reading books follow a clear progression of banding, ensuring fluency is developed. This academic year, you may find your child has a book sent home that they have already read at school, and this is something that is now promoted in all schools. The more a child reads, the larger their vocabulary becomes. When a child reads or hears the same book multiple times, they become familiar and comfortable with a greater number of words. Fluency is the ability to read text “accurately, quickly, and with expression.”

Repetitive reading allows a child to read without stumbling or stopping, and reading time becomes more pleasant for everyone. Once a child masters one book, it makes moving on to another more appealing. Reading comprehension is the ability to understand all the components of a story — from plot to character development to symbolism. Comprehension is “the essence” of reading. Each time your child reads or hears a book read to them; they learn more about the story itself. Each pass through the text or illustrations allows them to dive into the story’s meaning, preparing them for more complex narratives down the road. Children who progress from the banded scheme to ‘free readers’ can access their class library, and the school library, and can be supported to select appropriate books by staff. Pupils are encouraged to take home fiction and non-fiction texts. Children are expected to read at home five times a week, ideally daily, as this helps to develop confident and fluent readers. We would recommend 20 minutes of reading a day. Children’s reading logs are checked to ensure this is taking place. Where children are not reading the required amount in school, they are invited to attend a lunchtime reading club. There is also opportunity to read to a member of staff at Homework Club and After-school Club.

Pupil Premium

The Pupil Premium is additional funding that the Government provides for each child who they believe may be disadvantaged in achieving their best in education. At Manor Court Community Primary School, we provide high quality education and enrichment opportunities for each pupil regardless of ability or background. However, it is useful to receive this funding for all children entitled to it. If your children are entitled to free school meals or a member of the household is currently in receipt, or has been in the last six years, of Universal credit then please do apply through this hyperlink or ask in the school office for a form that we can send off for you.

Volunteers Needed!

More volunteer readers needed – A message from Mrs Terry

Do you have spare time that you could commit to volunteering at our excellent school in 2025? We are looking for more adults who can spend time listening to our children to read. Full training (including safeguarding) and lots of friendly children and staff will be provided! Each volunteer will require a DBS (paid for by the school) before they can start. If you would like to find out more information, please contact the school office to speak to me, Mrs Terry (Assistant Headteacher), or Mrs Hunt (Business Manager).
