Dear parents and guardians,

re: Year 6 maths workshop for parents

Following feedback from parents about maths in year 6, we are running a workshop for parents on Thursday 24th November at 2:45pm.

We realise that year 6 maths can be quite challenging, especially if it is not something you have used much since school. We are also aware that the way maths is taught now is not the same as it was when we were at school.

In this session, we will talk through the key methods that we teach your children in year 6 and show you how we teach these. Some of the topics we will cover are: -

- Fractions
- Multiplication
- Division
- Percentages
- Decimals
- Algebra

If you would like to join us at this workshop, please email us to confirm by Tuesday 22nd November. The Year 6 email address is y6@manorcourt.ppat365.org.

If you have any questions about this or any other aspect of your child's learning, please do not hesitate to contact us.

Thank you for your continued support.

Yours sincerely,

Miss Thompson
