Thursday 7th April 2022

Dear Parents and Carers,

The following information is the latest guidance from the DfE on living with Covid from 1st April 2022.

- People (including children and young people) with symptoms of a respiratory infection, including Covid-19, and a high temperature or who feel unwell, should try to stay at home and avoid contact with other people, until they feel well enough to resume normal activities and they no longer have a high temperature.
- Anyone with a positive Covid-19 test result should try to stay at home and avoid contact with other people for **5 days**, returning on the 6th day regardless of test result. For children and young people aged 18 and under, the advice will be **3 days** (returning on day 4).
- Regular asymptomatic testing is no longer recommended in any education or childcare setting, including in SEND, alternative provision and children's social care settings.

If you have any further questions, please do speak to one of us.

Thank you for your continued support.

Yours sincerely,

Mr L Talmage
Head teacher

Mr A Clode
Deputy Head teacher/Inclusion Leader
