27th February 2020

Dear Parent/Carer,

Reference: Times Tables Workshop

We would like to invite parents from Year 4 to attend a times tables workshop on **Wednesday 11th March, 2020 at 2.15pm** in the hall with your child. The workshop will finish in time for you to collect other siblings as usual at 3.15pm.

Times tables are an extremely important aspect of mathematics which we apply to many other aspects of mathematics and use in our everyday lives. In the Times Table workshop, we will explain why they are important, the expectations of Times Tables in Year 4, how we teach them and fun ways you can support at home. We will explain in more detail about Times Table Rockstars and how this can be used at home to support your child with learning their times tables.

In June 2020, the government will introduce a multiplication check which focuses on pupils recall of their times tables. During the workshop, there will be explanation of this check and the expectations.

Please logon to your ParentPay account to book your place by Friday 6th March.

If you have any questions about this or any other aspect of your child's learning please do not hesitate to talk to one of us.

Thank you for your support.

Yours sincerely,

Miss Parsons
Year 2 Class Teacher
