11th December 2019

Dear Parents and Carers,

Next Monday 16th December, Year 3 are visiting Chard Library. We will meet the librarians, who will read us a story, and then learn about how to become a member before exploring the library itself. If your child already has a Chard library card, or has a book to return, they are welcome to bring it in on Monday.

To conclude our exciting topic on The Railways, we are going to visit Chard's old train station, now The Original Factory Shop, next Wednesday 18th December. There will be refreshments for the children when we arrive. We will be able to go inside the shop and spot the clues from the station left behind. Please ensure your child has their coat in school for this walk.

We will also be creating a model railway inspired by our learning this term, taking into consideration our steam train trip and our focus on Robert Louis Stevenson's 'From a Railway Carriage' poem. If you have any cardboard boxes, kitchen rolls or empty wrapping paper rolls that we could use to help create our railway, please send these in with your children.

We would like to showcase our learning with you and therefore invite you to join us from 3.00pm on Friday 20th December to look at our railway, see photos from our visits and look in our books. Please come in through the Office.

Thank you for your continued support.

Mrs Terry
Year 3 Class Teachers

Miss Moore
