11th November 2019

Dear Parent/Carer,

YEAR 4 STARGAZING EVENING

As part of the Manor Court 48, all the children in Year 4 are invited to an evening of stargazing on **Wednesday 4th December 2019**. We will be joined by the Crewkerne and District Astronomical Society who will be setting up their telescopes so children can see how astronomers study the night sky. As long as the weather is clear, it should be an ideal point in the moon's cycle to see it in detail with its craters on show. They will also do a short tour of the sky in the hall, pointing out various constellations and the pole star and showing some of the amazing photos they've captured previously through their telescopes.

The evening will take place on the field so please dress appropriately with good shoes for standing on grass. We do ask that everyone **comes to the hall first to meet**. Parents and carers are asked to join their children for the evening and accompany them to and from school. If the weather is poor or if it is a cloudy evening, the event will still go ahead but will take place in the hall. The astronomical society will do a presentation on space and astronomy and children will have the opportunity to see the equipment that they use. Please arrive at school **from 5:45pm**. The evening will begin at 6pm. We will provide hot chocolate from 5:45pm and the evening will be finished by 8pm.

There is no charge for joining us on this evening but please login to your ParentPay account to confirm your attendance and indicate how many adults will be attending when prompted. Please ensure this is done by **Wednesday 27th November at the latest**.

If you have any questions about this event or any other aspect of your child's learning, please do not hesitate in seeing us on the playground or booking an appointment.

Yours sincerely,

Miss H Thompson
Year 4 teacher

Mrs J Wilkins
Year 4 teacher
