Dear Parent/Carer,

re: Apple pressing with Chard Museum

Autumn now seems to have set in and the season for picking apples has started. As our school was built on the land of an orchard, we thought it would be appropriate to celebrate this and learn a little bit about how apples are used.

Chard Museum has very kindly offered to bring across their apple press to our school to show us how apple juice is made and let us taste some very fresh juice. They will be with us on Friday 11th October, after school until around 4pm.

There is no cost for this and everyone is welcome to join us. The only thing we are asking for is donations of apples. If you or anyone you know has an apple tree with an abundance of apples, we would be very grateful for them. The more apples we have, the more juice we'll be able to make! Please drop any donations of apples in to your child's teacher on or before Friday 11th October.

If you have any questions about this or any other aspect of your child's learning, please let us know.

Thank you for your continued support.

Yours sincerely

Miss Thompson
Year 4 teacher
