Dear Parents and carers,

Reference: Class structure for the 2021-2022 academic year

It is with great pleasure that we write to you to confirm the class structure for the 2021-2022 academic year and who will be your child's teacher and classroom LSA next year. We are especially pleased that due to an increase in the number of children attending the school over the past academic year that we are in a position to reopen the fourteenth class that we closed at the end of the previous academic year.

For the reopening of the fourteenth class and the fact that we have always mixed the classes up at the end of Year 4 for the children moving into Year 5 in preparation for their end of KS2 assessments (this is for academic and social reasons), your child maybe in a class with different children. We have carefully considered all friendship groups and who your child works well with in each of their taught lessons.
