Dear Parents and Carers,

Parents Evening Survey

Thank you for taking the time out of your busy schedules to come to our latest parents evening this week. If you were unable to see your child's teacher and would like to speak to them, please make an appointment with the class teacher at the end of the school day.

At the end of the parents evening, those that attended were asked to complete a quick confidential questionnaire about us as a school using statements from the Ofsted Parents view questionnaire. There were 211 completed questionnaires over the two evenings, results were positive and we want to share these with you. The results will be published on the school website for the whole school and each individual year group after the half term holidays. If you had made a comment (either positive or an area in which you would like us to improve) we have taken these on board and have acted on them. When appropriate or possible we have tried to address these directly with you.
