

Dear Parents,

Maths Family Learning Course

During the new Autumn Term, Manor Court Primary School, in collaboration with the Preston Academy Trust, will be holding a Maths Family Learning Course for Parents of Year 1 children.

Preston Primary Academy Trust, have run Family Learning courses for a number of years and have found them to be hugely successful. Family Learning is where both children and adults are engaged in learning activities together. Through these shared experiences the culture of learning in the family grows. Family learning also helps parents and carers improve their self-confidence and parenting skills, and their ability to help their children learn.

This 5 week course will give parents invaluable experiences on how we teach a variety of Maths concepts and skills in Year 1. It is also a fantastic opportunity for parents to spend quality time with their child, learning and working together.

Sessions will take place on the following dates:

Friday 21 st September	9:00-11:00am
Friday 28 th September	9:00-11:00am
Friday 5 th October	9:00-11:00am
Friday 12 th October	9:00-11:00am
Friday 19 th October	9:00-11:00am

The course is free to join. Please complete the attached form if you would like to take part and return to your child's class teacher. There are 12 spaces available and these will be allocated on a first come first served basis.

If you have any questions, please do not hesitate to contact us.

Yours sincerely

Mr L Talmage
Head Teacher

Mrs E Johns
Year 1 class teacher
