Dear Parent and Carers,

Sex and relationship education

Following the government's changes to Relationship education, it is now statutory for all pupils of school age in primary to be taught relationship education. Relationship education will cover puberty and healthy relationships.

Due to Covid, the relationship education unit, which covers puberty, was not taught in year 5. During the spring term, children in year 6 will be completing this unit. The topic will cover the changes that happen to male and females as they undertake puberty. This unit is covered in the national curriculum and is statutory for all children to undertake.

If you have any questions about this area of learning, please speak to your child's class teacher.

Thank you for your continued support.

Yours sincerely,

Miss Thompson & Mr Pidgeon
Year 6 Teachers
