Dear Parent and Carers,

Sex and relationship education

The Governors have decided to use the Channel 4 "Living and Growing" DVD series to support the school's sex education scheme of work for our year 5/6 pupils.

This will be taught in single sex classes, with opportunities for pupils to discuss their thoughts and ask questions. We aim to advise and inform the children about the subject in a relaxed and honest manner. Each class will also have a box for anonymous questions.

The Living and Growing DVD comes in three main units, year 6 will watch four of the programmes which are:

- Girl Talk
- Boy Talk
- How Babies Are Made
- How Babies Are Born

In addition to this, we will also be learning about drug and alcohol education. We aim to begin this work during the week beginning Monday 9th July 2018. If you would like to view the DVD before your child sees it, please let us know by Monday 2nd July and arrangements can be made.

If you have any questions about this or any other aspect of your child's learning please do not hesitate to contact us.

If you DO NOT want your child to be a part of these lessons then please complete the slip attached and return this to the school office by Friday 6th July at the latest. If the slip is not returned we will assume that you are happy for your child to participate in these sessions.

Yours sincerely,

Mr Glentworth, Mrs Johns & Mrs Jones
