Dear Parents and carers,

## Parent Survey results

It is a pleasure to be able to share with you the results from our recent parent's survey which was completed online as we were unable to welcome you into the school for a face-to-face parent's meeting this term. We received 124 responses and anticipate that parents may have only completed the survey for one of their children. All of the results have increased and it is clear that the vast majority of parents believe that we are providing a good education for their child.

Please be assured that we will continue to work hard to ensure we improve further, so that all parents are completely satisfied. The detailed survey can be found on the parent section of our school website. Please do take the time to complete the Ofsted Parent View survey that can be found in this hyperlink <https://parentview.ofsted.gov.uk/>

Please share these results with your friends and family and let them know that we have some spaces in all year groups apart from Y5 and Y6. We'd love to show them around our school and welcome more children and their families into our wonderful school community.
