27th February 2018

Dear Parent/Carer

In Year 5, we will be trialling a new and exciting app that is for children, parents and teachers. The app, called 'seesaw' can be downloaded for free to any smart device and allows the children to share their work with adults at school and home.

The app uses a QR reader which once scanned connects you to your child's work and online portfolio. Once inside the app there are various features that allow you to see and comment on your child's work. The application is a brilliant link between home and school and is one we hope will allow you and your child to share their learning journey as they progress through the year.

Mr Pidgeon will be holding a demonstration in Foxes class on Monday 5th March at 3.30pm. During this demonstration you will be shown how to use the app and how to share in your child's learning journey at Manor Court.

If you have any questions about this or any other aspect of your child's learning, please do not hesitate to talk to us.

Yours sincerely,

Mr Pidgeon
Foxes Class Teacher
