Dear Parents/Carers,

At the back of your child's homework folder is a common exception words assessment sheet. These are words that do not follow a particular spelling pattern. Your child needs to be able to read and write these words by the end of year 2.

The R means reading and the W means writing. If the box on your child's sheet is blank this means your child has not yet achieved either writing or reading the word.

This sheet will be kept in your child's homework folder and updated every half term. Please encourage your child to practice reading and writing the words they do not yet know.

If you have any questions about this I will be more than happy to discuss them at parents evening after half term.

Thank you for your ongoing support.
