Wednesday 7<sup>th</sup> February 2018

Dear Parent/Carer,

### YEAR 5 VIKING DAY

On Tuesday 20<sup>th</sup> February 2018, Year 5 will be hosting a Viking Day to start their topic for the next half term. Throughout the day, children will be participating in many different activities such as creating shields and masks, cooking Viking bread and honey, having a go at writing in Viking runes as well as trying their hand at Archery!

We would love for children to come into school in some sort of Viking attire, or a plain white shirt that we can customise throughout the day. Part of our day is to face paint warrior marks on each other. Please give permission on the slip below if you're happy for your child to participate with face painting.

Parents and carers are also welcome to come into school at 2:45pm to see what their children have been learning throughout the day. Any questions about the day, please feel free to come and talk to one of us.

Yours sincerely

Miss L Boobyer

Mr N Pidgeon
