Club Descriptions

Club Name	Description
Homework	Homework club provides an opportunity for the children to complete their homework in a familiar environment with supportive resources, adults, and peers.
Colouring Club	Colouring club is an opportunity for your child's artistic skills to flourish.
Drama Club	Drama club is a lovely opportunity for children to play games and express themselves. We look at lots of different stories and most importantly have lots of fun! We are working towards a performance.
Dance Club	Children will be taught a variety of dance styles in preparation for the whole school Summer Show in June.
Choir Club	Singing group with planned community activities
School Newspaper	We will be creating a half-termly school newspaper! Children will be writing articles, taking pictures, interviewing peers and adults all whilst learning to edit and plan their own newspaper.
Cheerleading Club	A team sport for boys and girls where children learn stunts, jumps, tumbles, and dance for fast paced routine.
Ukulele Club	Somerset Music Academy will be coming into school to run a Ukulele Club during Monday lunchtimes in The Library. Spaces are limited but a great opportunity for your child to learn an instrument.
Film Club	The children are going to watch a variety of U grading films, followed by a discussion and review after.
Art & Craft Club	In arts and crafts club children will have the opportunity to experiment with a range of art styles and materials! They might get messy so they can bring a spare top to wear over their uniform.
Inventors and Innovators (DT)	We will explore the work of different inventors, innovators and engineers and design and develop our own products to help address real-world problems.
Lego Club	Lego club encourages children to learn whilst having fun. Creativity, problem solving, and teamwork are some of the skills that playing with Lego can teach.

Yoga Club	Yoga practice can promote endurance, strength, calmness, flexibility, and well-being.
Board Games	Each week we will have a selection of board games to play, if you have any old games you no longer need and would like to donate, we would be really grateful.
Rounders Club	Join our Rounders Club for a fun, active, and friendly way to spend your time after school! Rounders is a classic bat-and-ball game that's easy to learn and great for building teamwork, hand-eye coordination, and fitness.
Careers Club	Each week, children will explore a career through fun, hands-on activities and potential visits from real-life professionals. If you could give up some of your time and would like to support Miss Bagnall at one of these clubs to share your career, then please contact the office
Creative Club	This club will involve various activities including Lego, connects, colouring, drawing, painting, and crafts.
Drawing Club	A relaxing afternoon with various opportunities for drawing!
Cricket Club	For budding cricketers who want to take part and learn new skills.
