Reference: Pupil Voice Survey April 2026

Dear Parents and Carers,

Just before the Easter break, we carried out our Spring Term (mid-year) pupil voice survey of the children who attend Manor Court Community Primary School. At Manor Court, we highly value pupil opinions and provide the children in our care with several outlets for them to share their views and concerns, including a number of councils where the children can help their friends and make a difference to their school, worry boxes in all classes, weekly PSHE lessons, interviews with subject leaders about lessons and an annual pupil questionnaire about school life in general.

We asked the same questions to each child in the school (not including the Foundation Stage children as we believed that they were too young) and received 350 responses in total. The percentages reported are out of these 350 responses. We are delighted by the outcomes of this survey, which show our pupils enjoy attending Manor Court, are inspired to do their best, are encouraged to be independent and resilient learners, and know how to look after their physical and mental health. We wanted to share this data with you, so please find it attached. We believe that it is truly representative of the excellent education that we provide to your children!

If you have any questions regarding this survey, or any other part of your child's education, please speak to me or their class teacher.

Thank you for your ongoing support.

Mrs Geraldine Terry

Assistant Headteacher
