Renovation Works - Update

Dear Parents and Carers,

We are pleased that the renovation works for our enhanced Early Years provision will commence on Monday 6th October. We are delighted that from January we will be able to take up to 50 children (between the ages of 2 and 4) in each of the Early Years sessions. If you would like your youngest child to attend our enhanced Early Years Centre, please do make contact about this through the online system.

Since we wrote to you last week there have been a few changes to the project and we wished to share these with you.

Builders compound

The contractors do not need as much space as they initially thought and access across the Key-Stage 1 playground will be possible throughout the duration of the work. Please feel free to use the gate nearest the Zebra crossing, the main pedestrian gate at the front of the school, or the pedestrian gate at the back of the school, to access and leave the school premises. The only gate that will be out of action is the small pedestrian gate nearest to St Mary's Church.

Eagles and Puffins class

At the end of the school day Eagles and Puffins class will be dismissed through the door at the top of the school - between the building and opposite Herons Class (the downstairs classroom of the Year 6 block).

Bumblebees and Dragonflies class

Our Year 1 classes, Bumblebees and Dragonflies, will be taught for the rest of the school year in the main building.

From Monday 6th October - At the start of each school day members of the Y1 team will be available for you to hand your child over to at the door at the bottom of the Key-Stage 1 playground. At the end of the school day the Y1 children will be dismissed from this door to their parent and carer.

Please do not hesitate to speak to a member of staff if you need clarification.

Thank you for your ongoing support.

Mr Luke Talmage
Headteacher
