## Year 3 Science Workshop

Dear Parent / Carer,

Part of our year 3 Science topic is learning about how fossils are formed and why Mary Anning had a significant role in the knowledge we have today. To help the children with this part of their learning, we have organised a workshop to be run in school on Monday 12<sup>th</sup> January for Kingfishers and Friday 16<sup>th</sup> January for Owls class. This will be led by Charmouth Heritage Coast Centre and will be an exciting hands-on activity.

We are asking for a payment of £2.23 to cover the costs of the workshop. Please can we ask that this is paid via your ParentPay account by Monday 12<sup>th</sup> January.

If you have any questions, please do not hesitate to speak to a member of the year 3 team.

With kind regards,

Miss Bagnall and Miss Llewellyn  
Year 3 Teachers
