Art Exhibition – A message from Mrs Morton

Our 7th Annual Art Exhibition was a huge success with over six hundred visitors filling the Guildhall last Friday (Friday 23rd January) to enjoy our children's vibrant artwork inspired by the incredible Mexican artist Frida Kahlo. The fantastic support from families and the wider community made the event truly special and left our children and staff feeling incredibly proud. We are very grateful to the Arts Council and to Rosie Thompson, Esther Busby from Yard Art Ilminster, and Hannah Smith (The Hambridge Artist) for joining us and celebrating our young artists' wonderful achievements. Entry to the exhibition was free of charge but £57 was raised through donations to our school charity of the year – Young Lives Vs Cancer. The Chard & Ilminster Newspaper have published an article about the event in this week's edition of the paper.

New Admissions policy – Place for Foundation Stage 2027 & our expanded EYC

Following the required period of consultation, we are delighted to confirm that our new Admissions policy will come into effect for September 2027. As part of the policy, children who have held a place in our preschool for more than two terms will receive high priority (regardless of where they live) to receive a place within the main school for the Foundation Stage intake from September 2027.

If you would like your child to join our wonderful school community, we warmly encourage you to come and visit and consider enrolling in our expanded and enhanced preschool. Places are available for children between the ages of 2 and four years old. Visits are very welcome and to book a visit, please email eyc@manorcourt.ppat365.org. FMCA School Disco

The FMCA hosted four excellent discos last Wednesday that were well supported by the children's attendance. The children thoroughly enjoyed dancing to the music, watching the disco lights and having fun with their friends. We are very grateful for the hard work that the FMCA put into planning and running this event and for the members of the staff team for supervising the discos. The FMCA will confirm how much they have raised as soon as they have worked it out.

The Importance of Homework

Homework is an important aspect of your child's learning and plays a vital role in supporting the excellent education that we provide in the classroom. As part of our home-school agreement, we expect all children to complete their homework regularly at home. Homework includes daily reading, as well as tasks in English, Maths, spelling, grammar. These activities are carefully planned to be age-appropriate and to reinforce key skills, helping us to build and maintain high educational standards for every child.

We understand that completing homework at home can sometimes be challenging. For this reason, we offer a Homework Club for children in both Key Stage 1 and Key Stage 2. These clubs are supervised by teachers and provide a supportive environment for children who may need extra help to complete their homework and to take away the stress of completing this at home. If children have not completed their homework, their class teacher will be expecting them to complete it during part of their lunch time. This also applies to their reading at home – the expectation is 5 times a week from Friday to Thursday.

Please note that if homework is not being completed on a regular basis, parents and carers should expect contact from their child's class teacher, Phase Leader or from Mr Talmage to discuss how we can work together to support your child. Thank you for your continued support in helping your child to succeed in all areas of their education.

We take child protection extremely seriously at our school. If you have a concern, you can speak to any of the school's designated and trained Child Protection officers: Mr Clode, Miss Gregory, Mrs Terry, Miss Warren, or Mr Talmage. Alternatively, you can ring Children Social Care on 0300 123 2224 or email childrens@somerset.gov.uk

Vaping onsite – A reminder to parents and visitors – A message from Mr Talmage

Vaping is not permitted at any time on school premises. This includes drop-off, collection and while walking through the school grounds. Thank you for helping us keep our school environment safe and healthy for all children.

Year 4 Big Sleep Out!

The Year 4's enjoyed a memorable night last Friday, packed with heaps of excitement, curiosity about space and a touch of sleep! A huge thank you to Crewkerne Astronomy Club for attending the evening and showing the children their incredible equipment and explaining how, where and what constellations could be found within the Somerset sky. Despite the weather, children were delighted to explore the grounds armed with their torches and roast marshmallows over a bonfire. This was followed by a movie and hot chocolate on the big screen in the hall. Bedtime arrived and there was much excitement about sleeping in the classrooms, an experience that was both thrilling but a first night away for quite a few. The stargazing evening and big sleepover will undoubtedly be a cherished highlight for many this year!

Parents Evening – Advanced Notice

Our next Parents Evenings will be held on Tuesday 24th February and Thursday 26th February. More information and a reminder as to how you can book an appointment will be sent home next week. Please make sure that you follow the instructions carefully to ensure that you can book a suitable appointment with your child's teacher.

Punctuality Matters – A message from Mr Talmage and Mr Clode

We would like to remind parents and carers that the school gates open at 8:35am and lessons begin promptly at 8:45am. Children should be in class, ready to learn by this time.

Punctuality is essential. Arriving late disrupts the start of lessons and can impact children's confidence, learning, and progress. Persistent lateness will be closely monitored and may result in contact from school leaders or a referral to the Education Welfare Service.

Parents and carers are legally responsible for ensuring their child attends school on time every day. Good routines in the morning help children arrive prepared, calm, and ready to learn. Please also ensure your child is collected promptly at the end of the day. Late collection causes distress and creates additional supervision pressures for staff. Thank you for supporting our high expectations around attendance and punctuality.

EYC news from Miss Warren

As part of our learning of 'modern stories' we have been listening to lots of stories by Julia Donaldson, Eric Carle and Michael Rosen. We have particularly liked joining in with 'We're Going On A Bear Hunt' and creating actions to go with the story. At the mud kitchen we have created potions from 'The Room On The Broom.' Next week we will be making sandwiches like in 'The Tiger Who Came To Tea'. The children will soon also be taking part in this terms Manor Court 48 - puddle jumping! Please make sure your child has at least 2 changes of clothes in their bag as we expect to get muddy!

Rock up & Read! – A message from Mrs Terry

As part of our continual drive to encourage reading for pleasure, we would like to invite you to join us and your children for a 'Rock Up & Read' session. Each year group has a set date and time this half term, where we would welcome parents, grandparents and carers into the school hall to listen to our pupils read. You do not tell us if you are coming, but we will ask you to sign in if you choose to visit. If you cannot attend your child's session, please do not worry as some of our older pupils will be supporting our younger pupils.

Winter contingency plan

The temperature has certainly been unpredictable! We have a thorough contingency plan in place and a very supportive and hardworking staff team so it is unlikely that we will need to close the school. We have sent home, via ParentPay, a letter to remind parents of the plans in case we are required to close for any reason. Please do read it to ensure you are aware of what will happen.

Healthy snacks at play time – A message from Mrs Terry

We encourage each pupil at Manor Court to lead a healthy lifestyle. At play times we provide all our Foundation Stage, Year 1 and Year 2 pupils with fruit or vegetables and pupils throughout the school have the option of eating a bagel as part of our 'Magic Breakfast' scheme. If you provide your child with snacks that do not fit into the cereal, fruit, or vegetable category, these will be kept in their bags or lunch boxes to be eaten at lunch time. Please speak to your child's class teacher if you have any concerns regarding our healthy play times.

Do you think your child needs a Medical Health Care Plan? A message from Mrs Terry

Parents of children with medical conditions are often concerned that their child's health will deteriorate when they attend school. This is because pupils with long term and complex medical conditions may require ongoing support, medicines or care while at school to help manage their condition and keep them well. Others may require monitoring and interventions in emergency circumstances. At Manor Court Community Primary, we want our parents to feel confident that we will provide effective support for their child's medical condition and that our pupils feel safe. In making decisions about the support, we provide, we may need to have a meeting with you to discuss your child's needs. I have the responsibility of meeting with parents to ensure that Medical Health Care Plans are in place for those children who need one, but if you are unsure or if your child has a health condition that you don't feel that the school is fully aware of, please speak to your child's class teacher or make an appointment through the school Office to speak to me.

Online Assembly

Last week's online assembly, led by Miss Llewelyn, celebrated Burns Night. The children learned all about the famous Scottish poet Robert Burns and why he was voted the greatest Scot by the Scottish public. We talked about his lasting influence, including writing the much-loved song 'Auld Lang Syne', which is sung every New Year.

Year 4 practical Geography

Year 4 enjoyed creating their own rivers last week and labelled the different parts to deepen their understanding of the new geographical vocabulary that they have learnt.

PE Days for Spring Term 1

Our PE Days have been set for the next half term and are unlikely to be changed, if we need to change them, we will inform you through your Eylog or ParentPay account. Children should wear their PE kits to school on the days listed below. These opinions become part of the overall judgment of the school. If you would like to pass on your opinions to Ofsted, please complete the survey on the parent view website. The website can be found at www.parentview.ofsted.gov.uk

Celebration Assemblies

Family members are very welcome to join us at our KS1 and Foundation Stage and KS2 celebration assembly each Friday. It is a new half term, so the times of the assembly have changed. KS1 Assembly starts at 08:50 in the school hall and KS2 Assembly begins at 10:50 in the school hall.

Pupil Premium

The pupil premium is additional funding that the Government provides for each child who they believe may be disadvantaged in achieving their best in education. At Manor Court Community Primary School, we provide high quality education and enrichment opportunities for all our pupils regardless of ability or background. However, it is useful to receive this funding for all children entitled to it. If your children are entitled to free school meals or a member of the household is currently in receipt, or has been in the last six years, of Universal credit then please do apply through this hyperlink.

Online Safety news from Miss Hamilton

Once again Internet Matters have put together a brilliant new resource for parents and carers. This time it's a Set Up Safe guide which simplifies all the confusing tech/device settings advising that online safety works best when it's shaped around how children actually use their devices, it's all about 'layering'. You can find more information here at: [Set up safe: layer up parental controls | Internet Matters](#)

Staff car park - A message from Mr Talmage

Can I please remind all parents that the staff car park at the rear of the school is not to be used by parents at any point as a place to park during drop off or collection times.

SASP - Jump Start Club

SASP's (Somerset Activity & Sports Partnership) Jump Start club continues every Thursday between 4:30pm and 5:30pm, at Holyrood Academy for children aged between 8 and 14. These fun, inclusive multi-sports sessions offer a space and welcoming space for children to try new activities, build confidence and make positive connections. SASP's experienced team supports children with additional needs, ensuring activities are accessible, supportive and tailored to every child.

The FMCA needs you!

The FMCA is a group of parent volunteers who spend time raising money (whilst having fun) for activities or equipment to be used for the children in the school. The work that they do is vital, and the committee needs more volunteers to help them achieve more for the children.

If you would like to find out more about their work and how you can get involved, please do email them on contactfmca@gmail.com or contact them through their Facebook page.

We take child protection extremely seriously at our school. If you have a concern, you can speak to any of the school's designated and trained Child Protection officers: Mr Clode, Miss Gregory, Mrs Terry, Miss Warren, or Mr Talmage. Alternatively, you can ring Children Social Care on 0300 123 2224 or email childrens@somerset.gov.uk

Hot meals parental feedback – A message from Mrs Hunt

Our onsite kitchen is now providing a hot meal for over 200 children each weekday and it appears to us that the children within the school are enjoying the meal that is being offered to them and parents have selected for them through ParentPay.

We would like to ask parents to provide feedback, positive or negative, as to the food that we are providing to your child. If you would like to share this feedback with us, please do email the school office. If for any reason you are unhappy with the meals provided, please do email the office and we can arrange for our catering manager to contact you to rectify this.

Trim Trail – A message from Mrs Jones

Can we please remind all parents that children are not to use either Trim Trails at the start, or end of the day, and must only use them under the supervision of school staff during the school day.

Outdoor equipment – A message from Mr Clode

We are further developing our provision by setting up some more Outdoor Learning Groups after Half Term. The children in these groups will be working in our Nature Area and learning gardening skills through a Nurture Approach to develop teamwork, communication skills and confidence.

If you have any spare or unwanted gardening equipment such as trowels, gloves, spades, forks or rakes please bring them to the school office to help with the setting up of the groups. Thank you.

Reading expectations – A message from Mrs Terry

At Manor Court Community Primary School, we seek to ensure that children are supported to be confident, lifelong learners with a love of reading. Reading plays an especially important role in developing children culturally, emotionally and socially and we believe literature plays a key role in such development. Reading enables pupils both to acquire knowledge and build on what they already know. In school children in KS2 are heard reading on a 1:1 basis at least once a week by their class teacher and Learning Support staff and this is much more frequently in Foundation Stage and KS1. Those pupils not at an expected reading level are heard daily. The EYFS and Key Stage 1 reading books follow a clear progression of banding, ensuring fluency is developed. This academic year, you may find your child has a book sent home that they have already read at school, and this is something that is now promoted in all schools. The more a child reads, the larger their vocabulary becomes. When a child reads or hears the same book multiple times, they become familiar and comfortable with a greater number of words. Fluency is the ability to read text “accurately, quickly, and with expression.”

Repetitive reading allows a child to read without stumbling or stopping, and reading time becomes more pleasant for everyone. Once a child masters one book, it makes moving on to another more appealing. Reading comprehension is the ability to understand all the components of a story — from plot to character development to symbolism. Comprehension is “the essence” of reading. Each time your child reads or hears a book read to them; they learn more about the story itself. Each pass through the text or illustrations allows them to dive deeper into the story’s meaning, preparing them for more complex narratives down the road. Children who progress from the banded scheme to ‘free readers’ are able to access their class library, and the school library, and can be supported to select appropriate books by staff. Pupils are encouraged to take home fiction and non-fiction texts.

Children are expected to read at home five times a week, ideally daily, as this helps to develop confident and fluent readers. We would recommend 20 minutes of reading a day. Children’s reading logs are checked to ensure this is taking place. Where children are not reading the required amount in school, they are invited to attend a lunchtime reading club. There is also opportunity to read to a member of staff at Homework Club and After-school Club.

2026-2027 Term dates

The 2026-2027 school term dates are now on our school website and have been sent home to all parents via ParentPay. They can be found at the end of this newsletter for you to screenshot and save to your phone or to print for the fridge at home.

We take child protection extremely seriously at our school. If you have a concern, you can speak to any of the school’s designated and trained Child Protection officers: Mr Clode, Miss Gregory, Mrs Terry, Miss Warren, or Mr Talmage. Alternatively, you can ring Children Social Care on 0300 123 2224 or email childrens@somerset.gov.uk

Attendance our school expectations – A message from Miss Gregory

Pupil attendance and punctuality is a key focus and priority within our school. Individual attendance will be monitored and reviewed on a bi-weekly basis. We would like to kindly remind parents that the school's expectations on individual pupil attendance is 95% and above, with the aim of having 100% pupil attendance. Should your child fall behind the school's expectations a monitoring process is triggered, and we may ask you to come into school to discuss your child's attendance with us. Should you have any questions or concerns relating to your child's attendance please do not hesitate to contact me within the school.

The Community Fridge – A message from Miss Gregory (Early Intervention Officer)

The Community Fridge is for everyone in Chard and the local area to use without referral. It is open, when there is food available, at set times and is staffed by a team of volunteers. The Fridge is based in the front room, of Chard's Community Hub (in the old library in Boden Street) and there are also shelves of food in the food room which is at the back of the premises; items here include dried food, tins, toiletries, pet food and some baby food. The Community Hub also have freezers which can have donations from the local supermarkets and local shops for people to help themselves to.

Wet and cold weather – please send your child to school with a named coat

The weather has started to become unpredictable with lots of rain and cold weather to be expected. It is important that every child is sent to school with a named coat so that they can stay dry, warm and not become unwell.

Thank you or your continued support.
